Bring the field trip to the kids!

Invite professional family entertainer, Heidi Sheputa

Heidi arrives and greets the children as a mom, then before their very eyes, she transforms into Violet the Clown! As Heidi applies her make up and describes her job as a clown, she explains how she gets her wig and shoes made. The children ask questions and participate in the program. Once Violet has emerged the children are treated to a hilarious and astounding magic show.

Violet performs thousands of shows! She knows how to capture an audience. She will delight and amuse them.

Violet makes every child feel special, she instills self confidence, happiness and good wholesome fun into every show.

100% Satisfaction guarantee. There is no risk, if your students do not have an educational and entertaining time...you do not pay!
